"Two relaxed cats lounging by a sunny window with a view of a peaceful ocean: one is an orange tabby with a distinct orange ring around its mouth, the other is a sleek black cat. They are best brothers, enjoying the sunlight together. The scene is captured in a wide-angle lens style, from a slightly low angle, making the cats appear cozy and larger than life. Hand-drawn watercolor illustration, warm pastel tones, calm and heartwarming atmosphere."

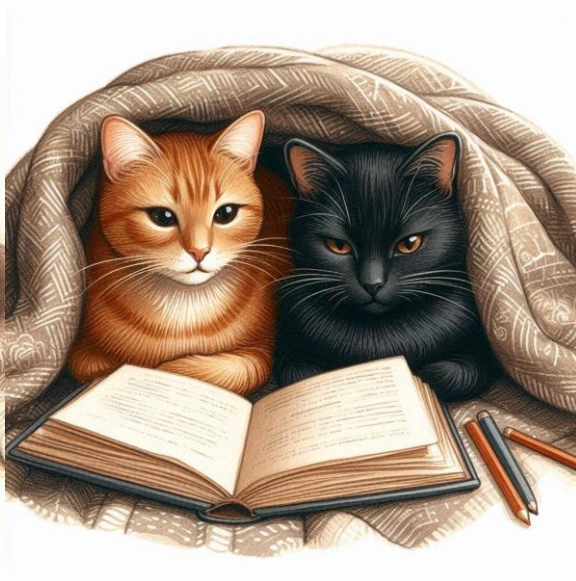

✅ 場景設計視角改變 -- 「從背後望出去」

"From behind view of two cats sitting side by side, gazing out a sunny window at a calm ocean. One is an orange tabby with a distinct orange ring around its mouth, the other is a sleek black cat. They are best brothers, sitting close together and enjoying the peaceful moment. The scene is illustrated in a hand-drawn watercolor style, with soft pastel tones and a warm, cozy feeling. Captured from behind at eye level, evoking quiet companionship."

✅ 加入其他場景，躲在毛毯裡看書
